

Welcome to the Ayr Academy at Highland Mountain Bike Park

Here at Highland we understand how important choosing a summer camp experience is for you and your family and that's why we're here to help make the adventure seeking a little easier. We have taken the traditional New England summer camp experience and meshed it with the thrill of learning to downhill mountain bike.

Ayr Academy is a multi-day overnight mountain bike summer camp for youth between 12 and 18 years old. There's no need to be intimidated, we cater to all rider abilities. Whether a first timer on a bike or near pro, we can accommodate.

And the fun doesn't end on the mountain. When not riding campers have the freedom to relax in the camp lounges or participate in other activities such as video editing, indoor climbing, basketball, or even fishing in one of Highland's two ponds.

We strive to select coaches that ascribe to our values and want to spend as much time at camp as the campers. On top of that, our coaches are respected professionals in the mountain bike industry; they have a vast knowledge in the sport and what it takes to succeed.
