

## **BEDFORD MEMORIAL TOWN POOL**

### **MOST FREQUENTLY ASKED QUESTIONS**

#### **CAN MY CHILD WEAR A FLOATATION DEVICE IN THE POOL?**

We do not allow any floatation devices, bubbles, water wings, etc., in the pool because of the false sense of security the floatation device may give to the child and/or the parent. A child who would need a floatation device needs to have a parent or adult watching them at all times.

#### **CAN I BRING A SODA OR SNACK IN THE POOL AREA?**

It is a STATE LAW that food or beverages are NOT allowed in a public pool or deck area. Food and drinks can be consumed in our designated picnic area or outside the pool area.

#### **DO I HAVE TO TAKE A SHOWER BEFORE USING THE POOL?**

YES, All pool users MUST take a shower BEFORE using the pool. Taking a shower helps keep the pool cleaner by removing any perspiration, make up, suntan lotions, etc., before entering into the water. (This is also a STATE LAW).

#### **WHERE IS THE POOL'S LOST & FOUND?**

Lost & Found items are kept in a container in the bathhouse hallway. Once the season is over items are taken to the local shelter. The Parks & Recreation Department is not responsible for any lost or stolen items at the pool.

#### **CAN A NON-RESIDENT USE THE POOL?**

Yes, the Bedford Memorial Pool was built with Federal Funds in the late 1970's. Non-residents can use the pool, but are required to pay a higher fee to do so.

#### **HOW BIG IS THE BEDFORD MEMORIAL POOL?**

The main pool is 74' x 45' with a diving well of 30' x 34". The pool depth is 12' in the diving well and 4'-6' in the main pool. We do have a splash pool which is 4' x 8' and 2 feet in depth, zero entry. The splash pool is NOT supervised by the lifeguards.
