

# Bedford Town Pool Information

*The Bedford Recreation Department is pleased to announce the Bedford Memorial Pool will be opening for the summer of 2021 on June 20th!*

It is necessary to put guidelines and procedures into place to address the health and safety of the community and staff due to the pandemic. These procedures may change at any time in accordance with State guidelines and recommendations. Here are the details:

There will be signage that anyone experiencing symptoms of COVID19 may not enter the facility.

Occupancy will be limited to allow for social distancing. We plan to open with a reservation system (Signup Genius) but may eliminate that at a later date.

Facemasks will be required inside the pool building. Facemasks on the deck will be encouraged when social distancing is not possible. No facemasks while in the pool. Staff will have facemasks with the exception of lifeguards while they are in a guard chair.

Picnic tables on deck will not be available but patrons may bring their own chairs on deck. Social distancing will follow the Governor's guidelines or recommendations at the time. Parents of young children are asked to help with spacing children out.

At times, children may be less than 6 feet apart between households. Please contact the Recreation Director to discuss possible accommodations if your child needs this spacing.

There will be swim team practice in the morning only and some days we may open late due to swim meets, but we will post those dates when they are available.

**Reminder: You may purchase a pool pass before the pool opens by downloading the pool pass form at [www.BedfordRecOnline.com](http://www.BedfordRecOnline.com) (Pool Memberships are non-refundable)**

Daily fees can be paid at the pool with cash or check only. **NO CREDIT CARDS ACCEPTED.**

**Pool Address: 20 County Road Phone# 472-7331**  
Monday - Friday: 12:00 PM to 7:00 PM \*\*\*\*\* Saturday/Sunday: 12:00 PM to 5:00 PM
